

# Toronto Centre Community Forum on Rail Safety

Please join me, Chrystia Freeland, Member of Parliament for Toronto Centre and my colleagues for a discussion on this important issue:

**Friday, November 28<sup>th</sup>, 2014**

**7:00pm to 9:00pm**

**Church of the Messiah**

240 Avenue Rd, Toronto, ON (*Corner of Avenue and Dupont*)

Since 2007, reliance on rail transportation in Canada has steadily increased. Industry officials predict that this trend will continue well into the next decade – a reality that comes with troubling implications. Canada's railway network remains as important to our economy today as it was a century ago. Therefore, it is vital that proper regulations are imposed to protect both the strength of our railroads and the safety of our citizens. Join us for a community discussion of this important issue, co-hosted by ***Adam Vaughan, MP (Trinity-Spadina)***, ***Hon. Carolyn Bennett, MP (Toronto-St. Paul's)*** and community rail safety advocates.
