

RAIL. SAFETY. FIRST.

We are a coalition of communities from across Canada concerned about the unsafe transportation of **dangerous goods** through our neighbourhoods on a daily basis. Our ask to the federal government is simple: we want safe, transparent + accountable rail.

WHAT IS IN THE BLAST ZONE?

68
public
schools

8 of Toronto's
top 10
attractions

3 hospitals
and **31** medical
centres

180 (approx.)
parks and
playgrounds

2 nuclear
power
plants

ACT NOW

- Alert your friends and neighbours about this threat
- Sign the online petition
- Send a letter to your City Councillor, MP and MPP
- Order a Rail Safety First lawn sign for your home

CN Rail — Neighbourhoods affected in Toronto —

TORONTO'S BLAST ZONE

The "**Blast Zone**" is 1.6km on either side of a rail line, this is the area that could be destroyed or evacuated in the case of a train derailment.

* Since
2009 oil
train traffic
in Canada has
increased by 28,000%

* as reported by Toronto Star
